

1) Example Company Definition Annotation

Just a note to say I have included the below examples to bring a range of size in. I am not saying the following examples are good examples of ESG strategies.

- Faith in Nature Example (Medium Enterprise - first company in world to put Nature on the Board)
 -  Faith in Nature Example
- Zurich Example (Global Enterprise)
 -  Zurich climate-transition-plan-2024.pdf
- Hilton Example
 -  Hilton 2023-Travel-with-Purpose-Report-final.pdf
- Pepsico Example (Transnational Corporation - more of a report of progress than an action plan)
 -  PepsiCo 2023-esg-performance-metrics.pdf

2) Document Set describing the Biosphere

- **IOM Biosphere Strategy and Vision document**
 - <https://www.biosphere.im/uploads/biosphere-vision-and-strategy.pdf>
- **IOM Biosphere Nomination Papers (how we got the accreditation in the first place)**
 - https://www.biosphere.im/uploads/biosphere-isle-of-man-nomination-papers-part-i-and-ii_web.pdf
 - <https://www.biosphere.im/uploads/annexes-1and2.pdf>
- **IOM Curran Report**
 - https://www.gov.im/media/1368097/gd20190102_james-curran-report.pdf
- **Latest update of Net Zero IOM Climate Action Plan**
 - https://www.netzero.im/media/bnuaif22/_phase-1-progress-report-final-compressed.pdf
- **IOM Chamber of Commerce Carbon Calculator**
 -  Copy of Chamber of Commerce Carbon Calculator V00.0 - EARTHSCO...
- **Statutory framework of the World Network of Biosphere Reserves**
 - <https://unesdoc.unesco.org/ark:/48223/pf0000373378>
- **ISSB/IFRS Standards (the gold standard) - These require licensing if going in a commercial product**
 -  IFRS ISSB Standards (Climate).pdf
 -  IFRS ISSB Standards (Sustainability).pdf

- **Global reporting initiative (GRI)**
 -  Full set of GRI Standards - English(1)
- **GHG Protocols**
 -  GHG Protocols
- **Project Drawdown Solutions**
 - <https://drawdown.org/solutions>
- **Regeneration Nexus (comprehensive list of solutions, actions, and further resources)**
 - <https://regeneration.org/nexus>
